

HOW TO DETECT A NATURAL GAS LEAK

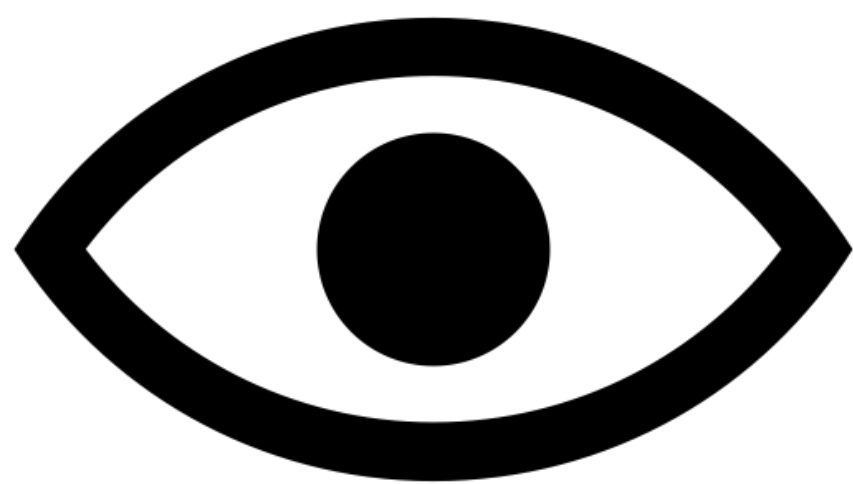

SMELL

Do you smell rotten eggs? It could be a natural gas leak. Leave the area immediately. Once you get to a safe place away from the location, call 911 then us at 1-888-664-2726.

SIGHT

Do you see dead vegetation or bubbles forming around your natural gas meter? This could be a natural gas leak. Follow the steps in the Smell section.

SOUND

Do you hear a loud hissing sound coming from your natural gas appliances or natural gas meter? This could also be a natural gas leak. Follow the steps in the Smell section.
